

Hoopers Snow Man 2025

DOG TRAINING
Snowman December 15th

Advanced Course for arena 25m x 43m

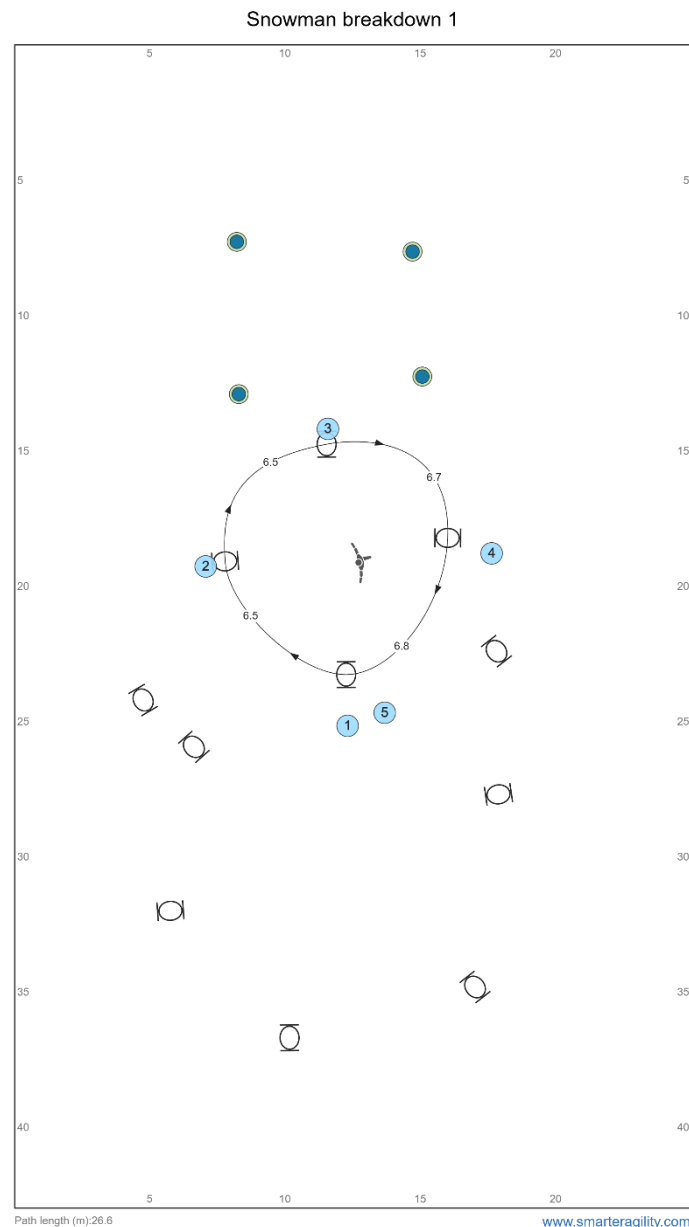

A course requiring the following skills

- Circle work
- Rear or front cross
- Forward drive on Barrel
- Barrel square work

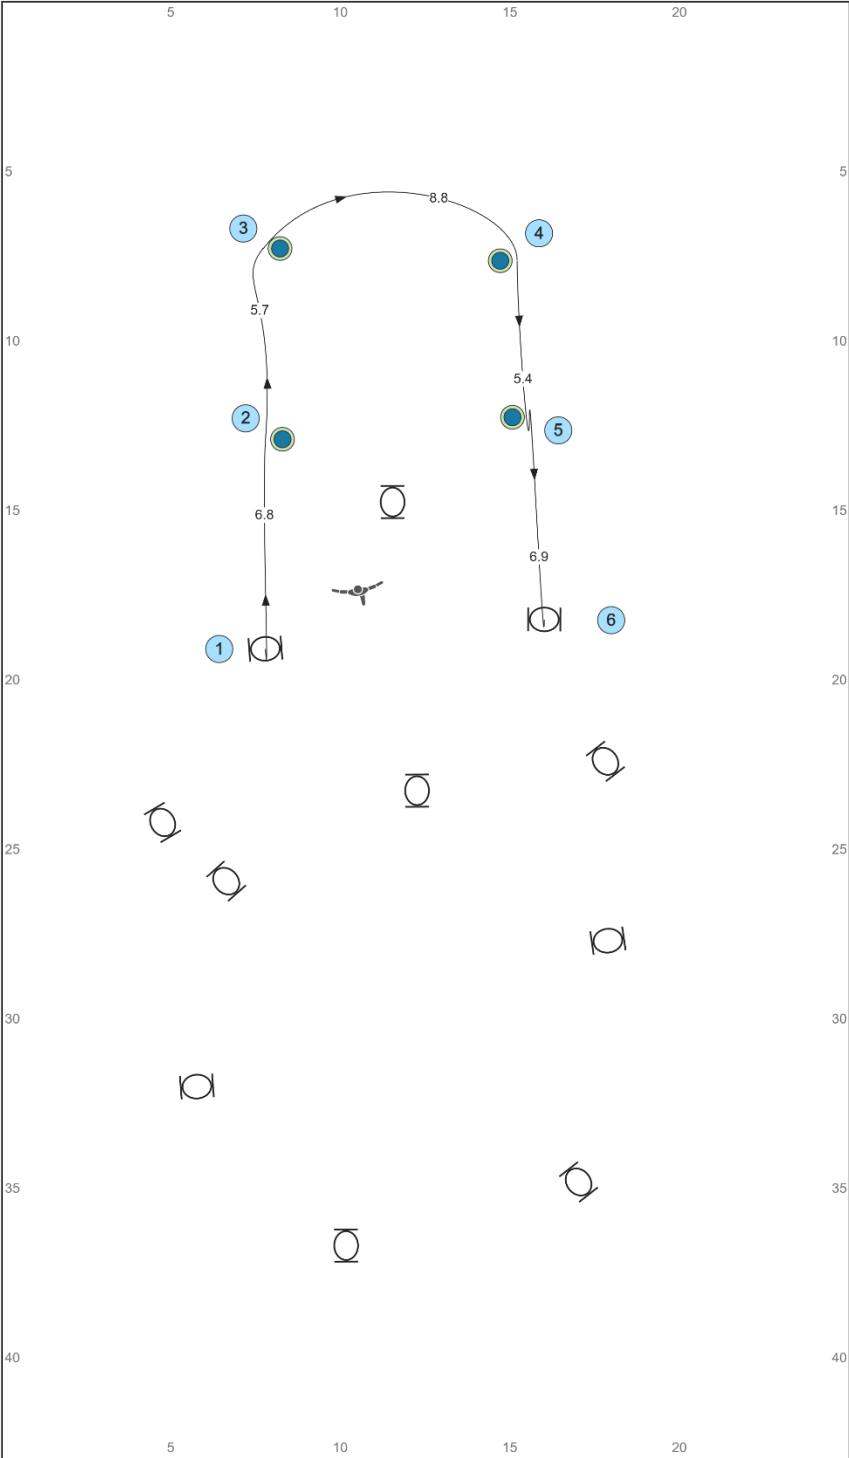

Level depends upon where you handle from , speed of dog.

The barrel square is harder the further you are away from it

Breakdown – This is how I broke down the course for my intermediate Hoopers Class before we ran the whole course

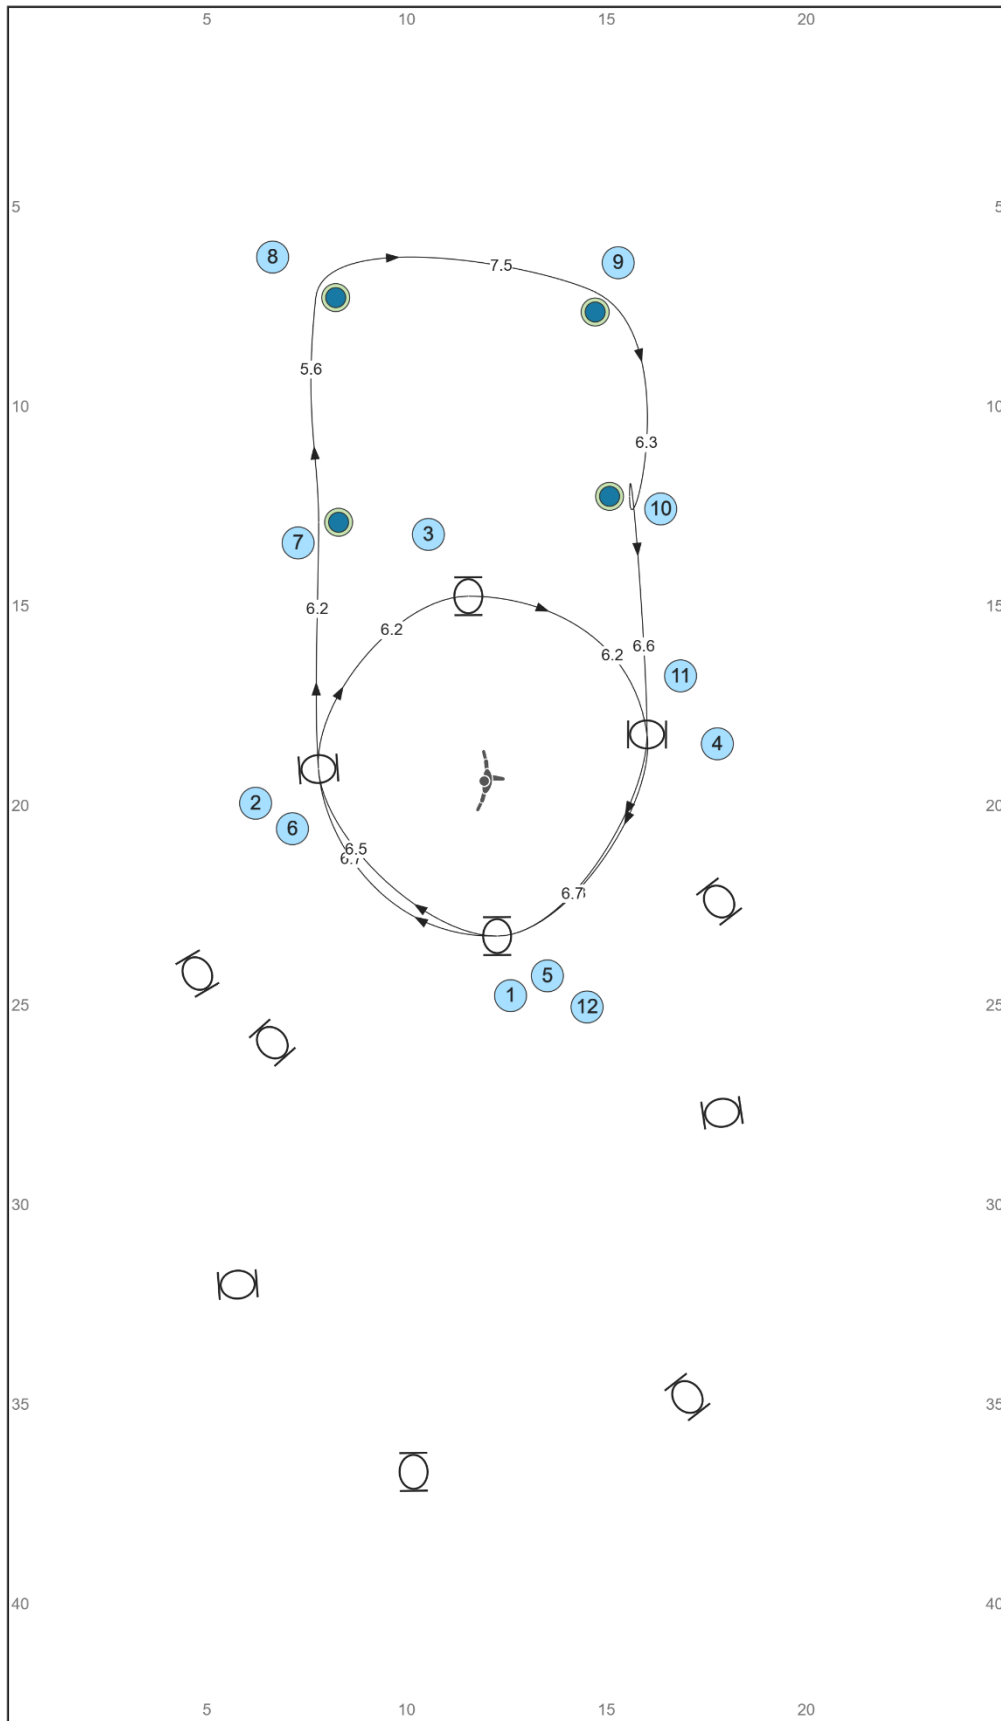

Snowman breakdown 2

Path length (m):33.9
